Be Safe Online.

Protect yourself and avoid big trouble with online usage habits designed to protect you, your family, and your money from danger. Here are 10 smart "I WILLs" that you should follow:

1. **I WILL not give out personal information**, such as my address or phone number, or my parents' personal, work, or bank information.
2. **I WILL tell my parents right away** if I come across something that makes me feel uncomfortable.
3. **I WILL never agree to get together with someone** I meet online without first checking with my parents.
4. **I WILL talk with my parents about posting pictures** of myself or others online, and I will not post any pictures that my parents consider to be inappropriate.
5. **I WILL not respond to any messages that are mean** or make me feel uncomfortable.
6. **I WILL follow my parents' guidance** for going online or using a smartphone. We will decide on the time of day that I can be online, the length of time I can be online, and the approved websites for me to visit.
7. **I WILL not give out my user names or passwords to anyone** (even my friends) other than my parents.
8. **I WILL check with parents before downloading** or installing anything that could possibly hurt our online devices or impact our privacy.
9. **I WILL be a good online citizen** and not do anything that hurts others or is against the law.
10. **I WILL help my parents stay aware** of all interesting things I learn about online.

Tips for Parents:

- Take advantage of security software that exists to help you manage your child's computer experience.
- Be clear about your guidelines for using the Internet. Post them near the family computer as a reminder.
- It helps to remind children frequently to never give out their name, phone number, or photo without your approval.

Heard a Word?

PERSONAL INFORMATION - Scammers and tricksters pay attention to details in an effort to trick people, so never give your address, phone number, email, pet names, or other info to anyone you don't know.

UNCOMFORTABLE - When something you see, hear, or read online makes you feel uneasy or troubled, you should quickly alert your parents to the website or person that caused you to feel this way.

Who Will Win the Dollar Race?

The **Dollar Race** is a fun and easy game that anyone can play together! Here is all you need to play:

- ✓ **2 Dice** for adding numbers
- ✓ **Blank paper** to keep track of the score
- ✓ **Pens or pencils** to write down your score
- ✓ **4 Pennies** per player
- ✓ **1 Nickel** per player
- ✓ **2 Dimes** per player
- ✓ **3 Quarters** per player
- ✓ **1 Dollar bill** per player

To play, place all the coins in a pile, then take turns rolling the dice and adding the numbers on them. Each player writes down his or her sum on a sheet of paper and takes the equivalent number of cents from the pile of coins. Players must always take the least number of coins needed, trading their coins for the next denomination when possible. The first person to trade their coins for a dollar wins!

Sweet Pumpkin Treats!

If you like traditional crispy rice treats, you'll love this idea for tasty Halloween or Thanksgiving fun!

INGREDIENTS

3 Tbsp. Butter
5 Cups Crispy Rice Cereal
8 Oz. of Pumpkin Marshmallows
Tootsie Rolls
Green Icing
Orange Food Coloring (optional)

INSTRUCTIONS

Melt butter in a large saucepan.
Add marshmallows and stir until melted.
Remove from heat. Add a few drops of orange food coloring and stir to combine. Add crispy rice cereal and stir until thoroughly coated. Let sit for 3 to 5 minutes in the pan until it's firm enough to form into pumpkins.

To make the pumpkins, form the mixture into balls. If your hands are too sticky, you can spray them with a little non-stick spray. Insert half of a tootsie roll for the stem. Once firm, pipe a little green icing artfully for leaf and vine accents.

To keep fresh, store the treats in an air-tight container. If you think of it before you eat any treats, take a digital photo and ask your parent to share the photo on JBT's Facebook page!
